Disclaimer

The facilities on this list appear substantially to meet the appropriate and applicable medical standards at the time of the evaluation. Planned Parenthood Center of El Paso (PPCEP) cannot assume responsibility for services not provided by its personnel on its premises. Therefore, PPCEP makes no representations or warranties regarding the quality of services at any facility on this list and does not guarantee successful treatment. Facilities have been evaluated only upon their request. The fact that any facility is not mentioned should not be regarded as an indication of disapproval.

PPCEP provides this list and carries out facility evaluation as a public service to the facility or the physicians listed, or the clients referred.

Since the clinic, physicians, hospitals or agencies may change their fees and other terms of service from time to time, clients should confirm fees and terms directly with the providers prior to accepting services.

This booklet was prepared by PPCEP and may not be reproduced, in whole or in part, without written permission.
